

Weather and Seasons

What is the weather like in this picture? What season do you think it is?

These questions might help you to find out the answer.

What does the sky look like? What colour is it?

What are people doing?

Can you see the sun? Is it high or low in the sky?

What are people wearing?

What do the trees look like? Are there any leaves? What colour are they?

Are there clouds? What colour are they?

How does this picture make you feel?

Are there any shadows? Are they long or short? What does that mean?
